

3M™ Water Filtration Products

SPEC# _____

QUANTITY _____

application:

MULTI-PURPOSE

models:

CFS22 & CFS22-1.5

The 3M™ Water Filtration Products CFS22 & CFS22-1.5 High Flow Filter Housings allow installation either at the point-of entry or the point-of-use. The low pressure drop across the system helps provide adequate water flow and pressure to all equipment. Various media options are available for both sediment and chlorine taste and odor reduction.

PRODUCT BENEFITS

- 1" and 1-1/2" NPT inlet and outlet connections allow high flow rates for point-of-entry applications.
- Built-in pressure relief button relieves internal pressure for convenient cartridge change-outs.
- FDA CFR-21 and/or NSF compliant materials provide peace of mind that this product is suitable for potable water applications.
- Mounting bracket, screws and filter wrench included.

CFS22

⚠ WARNING: To reduce the risk associated with the ingestion of contaminants:

- Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

CUNO Incorporated recommends regularly scheduled maintenance and replacement of the filter cartridge(s) in order for the product to perform as advertised/sold. CUNO shall not be liable for system failures due to improper maintenance.

PHYSICAL SPECIFICATIONS

- 1" or 1-1/2" NPT inlet and outlet ports.
- System is a single vessel design.
- System maximum operating pressure of 100 psi (689 kPa) and operating temperatures of 100°F (37.8°C).
- System comes with mounting bracket.
- System incorporates a pressure relief button.
- System materials are FDA CFR-21 and/or NSF compliant.

IMPORTANT: INSTALLATION TIPS

These installation tips are for informational purposes only and are not intended to be used as actual installation instructions. **CAUTION: To reduce the risk associated with property damage due to water leakage:**

- **Read and follow** Use Instructions before installation and use of this system.
- Installation and use **MUST** comply with all state and local plumbing codes.
- **Protect from freezing**, remove filter cartridge when temperatures are expected to drop below 40°F (4.4°C).
- **Do not install on hot water supply lines.** The maximum operating water temperature of this filter system is 100°F (37.8°C).
- **Do not install** if water pressure exceeds 100 psi (689 kPa). If your water pressure exceeds 80 psi (552 kPa), you must install a pressure limiting valve. Contact a plumbing professional if you are uncertain how to check your water pressure.
- **Do not install** where water hammer conditions may occur. If water hammer conditions exist you must install a water hammer arrester. Contact a plumbing professional if you are uncertain how to check for this condition.
- The disposable filter cartridge **MUST** be replaced every 12 months, at the rated capacity or if a noticeable reduction in flow rate occurs.

LIMITED WARRANTY

CUNO Incorporated warrants this Product (excluding disposable filter cartridge(s)) to be free from defects in material and workmanship for five (5) years from the date of purchase. The disposable filter cartridge is warranted from defects in material and workmanship for a period of one (1) year from the date of purchase. This warranty does not cover failures resulting from abuse, misuse, alteration or damage not caused by CUNO or failure to follow installation and use instructions. If the Product is defective CUNO will replace the Product or refund your Product purchase price. CUNO will not be liable for any indirect, special, incidental, or consequential damages arising from the use of this Product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. To obtain warranty service, mail your request to Warranty Claims, CUNO Incorporated, 400 Research Parkway, Meriden, CT 06450. Proof of purchase (original sales receipt) must accompany the warranty claim, along with a complete description of the Product, model number and alleged defect. This warranty gives you specific legal rights and you may have other rights which vary from state to state, or country to country.
