

GRAVITY FLOW FILTER KIT

ITEM #: 67251 | MSRP: \$24.99

DESCRIPTION

The WaterBasics Gravity Flow Filter puts gravity to work for you. The kit is perfect for emergency preparation and makes it easy to collect, filter, store and dispense water. It's also ideal for securing safe drinking water during recreational activities like camping, hunting or fishing. The kit was designed for use with carboys and stores easily at home, in an RV or boat.
