

HDG-SED-AC5

SEDIMENT FILTER

- Spun bonded Polypropylene
- Dirt, rust and sediment reduction
- 5 micron sediment filtration

HYDROGUARD HDG-SED-AC5 FILTERS

Provide excellent dirt holding capacity through their integrated depth filtration design.

HYDROGUARD HDG-SED-AC5

Are manufactured with 100% high purity, surfactant free and binder free polypropylene.

Temperature rating: 48°F - 145°F

Micron rating: 5μ nominal
